**One key, one product**

A Bus key never unlocks TxC. The product is sealed in the signature.

**Smart expiry**

7 days to 10 years, financial year end, custom lengths or perpetual.

**Lock to one PC**

Optionally tie a key to a single computer using its code.

**Manager keys**

Let trusted managers issue keys for chosen products only.

**Full key record**

Every key listed with product, dates and status. Export to CSV.

**Hard to fake**

Ed25519 signatures catch edited keys and wound-back clocks.

Licensing, done properly.

Find out how Schedulo Licence Manager keeps every Schedulo product licensed, tracked and secure.
